NO SALON DRAMA

PRIVATE

YOURS

Seven52 Salon Suites is here to provide valuable resources so you can concentrate on what you do best, serving your client's needs and growing your business.

The best way to think of a salon suite is a turnkey approach to salon ownership, where we provide you move-in-ready salon suites space alongside all the support needed to run your own business. You simply bring your equipment, create your own culture, and run your own show the way you want to.

TURN YOUR DREAMS INTO YOUR REALITY!

HISTORICAL APPROACH TO WORKING IN HEALTH AND BEAUTY

20 years ago, salon professionals were stuck with one option when it came to work either apply for a job at a salon and work on salary, commission, or a combination of both.

More salon self-employment models options then became available such as chair rental and booth rental, along with the option of going mobile.

Seven52 Salon Suites is here to offer the resources, technology and business support to be your own boss!

Seven52 Salon Suites is perfect for hair, beauty, health & wellness professionals who want a cost-effective and convenient solution for salon ownership. With reduced overheads, fewer operational burdens & minimal administrative obligations. By having a salon suite with Seven52 Salon Suites affords all professionals the ability to focus on building and retaining their clientele.

By partnering with Seven52 Salon Suites, it's a less risky option than opening your own salon. Many hairstylists never take that next step of opening their own salon because of the risk and cost associated with this.

You can't control the client experience when you rent a booth at a salon, your clients are still forced to take in that salon's environment, including the the other stylists & receptionist, decor, and overall ambiance. With a Seven 52 Salon Suites, you can set up the decor according to your standards and control every detail of the ambiance. Not to mention, many clients may enjoy the added privacy that comes with a private suite.
